

**Arizona Department of Homeland Security
FFY 2017 State Homeland Security Grant Program (SHSGP)
Regional Advisory Council (RAC) Scoring Rubric**

	EXEMPLARY (4 pts)	SUPERIOR (3 pts)	ADEQUATE (2 pts)	NEEDS IMPROVEMENT (1 pt)	MISSING/ INADEQUATE (0 pts)
Multi-Jurisdictional/ Regional Impact	Project demonstrates both a multi-jurisdictional and regional impact and identifies the jurisdictions impacted.	Project demonstrates both a multi-jurisdictional and regional impact but does not identify the jurisdictions impacted.	Project demonstrates a regional impact but does not identify the jurisdictions impacted.	Project demonstrates a multi-jurisdictional impact but does not identify the jurisdictions impacted.	Project does not demonstrate a multi-jurisdictional or regional impact.
State Homeland Security Strategy	Project is consistent with the identified State Homeland Security Strategy goal(s)/objective(s).	<u>Most</u> of the State Homeland Security Strategy goal(s)/objective(s) identified are relevant to the project.	<u>Some</u> of the State Homeland Security Strategy goal(s)/objective(s) identified are relevant to the project.	<u>Few</u> of the State Homeland Security Strategy goal(s)/objective(s) identified are relevant to the project.	<u>None</u> of the State Homeland Security Strategy goal(s)/objective(s) identified are relevant to the project.
Core Capability	Project supports selected Core Capability and <u>clearly identifies</u> how it will address the selected gap(s).	Project supports selected Core Capability and <u>mostly identifies</u> how it will address the selected gap(s).	Project supports selected Core Capability and <u>partially identifies</u> how it will address the selected gap(s).	Project supports selected Core Capability but <u>does not identify</u> how it will address the selected gap(s).	Project does not support selected Core Capability.
Milestones	Milestones are clearly described and account for <u>all</u> project activities; all activities can realistically be achieved within the period of performance.	Milestones are clearly described and account for <u>most</u> of the project activities to be achieved within the period of performance.	Milestones are clearly described and account for <u>some</u> of the project activities to be achieved within the period of performance.	Milestones are <u>vague</u> and do not account for critical activities to be undertaken during the period of performance.	Milestones are inadequate for the project.
Project Costs	All requested costs are necessary and reasonable under the State Homeland Security Grant Program.	Some requested costs are necessary and reasonable under the State Homeland Security Grant Program.	Some requested costs are necessary, but some of the costs are not reasonable under the State Homeland Security Grant Program.	Some requested costs are not necessary or reasonable under the State Homeland Security Grant Program.	None of the costs requested are necessary or reasonable under the State Homeland Security Grant Program.
